

Architectural Technologist (based in Belper)

Peveril Homes are proud to be part of the Bowmer & Kirkland Group and have over 30 years of high- quality traditional house-building experience. Based in Belper, we have a team of experienced professionals who create homes that fit the changing needs of our customers.

The Business:

- We are focussed on measured, incremental growth and are proud of our reputation as a stable business.
- We recognise the efforts of our staff and you will be rewarded for your achievements.
- Our emphasis is on the long term and whilst other builders may concentrate on volume, our onus is on profitability.

The Opportunity:

- This is a superb career opportunity to work with a regional house-builder with genuine and realistic timescales.
- In this autonomous role you will work as part of a small team giving you the chance to showcase your technical skills and evolve with the needs of the business.
- This role will involve managing information, effective liaison and problem solving.

The successful candidate:

- You will be someone who can operate with flexibility within a small team and be open to expanding your knowledge.
- Ideally you will be based in the East Midlands, be hands on, enthusiastic, analytical and focussed on the longer term.
- You will be a team player with patience and tenacity.

Main objectives:

- Production of house type working drawings and associated details in AutoCAD format.
- Production of construction site plans following planning approval.
- Approval of third party designs, such as joist layouts, heating layouts, truss layouts and kitchen layouts for errors and improvements.
- Analysing design feedback as part of product development.
- Co-ordination of design stage SAP and PEA information.
- Management of Building Regulation applications and associated conditions.

- Liaison with land and planning department in providing technical information for the discharge of planning conditions.
- Attend site to resolve technical and construction related issues.
- Production of conveyance plans for the sales legal pack.

We offer a competitive salary and benefits package.

We are an equal opportunities employer.

If you would like to be considered for this role please forward an up to date copy of your CV, to Tom Broster, Land and Technical Manager at t.broster@peverilhomes.co.uk
