TERMS AND CONDITIONS - HELP TO BUY

What are the benefits?

Help to Buy is made up of two schemes – an ‘equity loan’ where the Government will loan you up to 20% of the value of your new build home and a ‘mortgage guarantee’ where lenders will be incentivised to make more mortgages available for people with small deposits. The Government wants to help more people across the country make the aspiration of home ownership a reality. Help to Buy is aimed at increasing

the supply of low-deposit mortgages as well as new housing and will run for 3 years. If you have a 5% deposit and want to buy a new build home, you’ll be able to access the Help to Buy scheme. If you want to buy a property which is either new build or an existing property,

How will Help to Buy work for you?

Help to Buy prices based on 80% of full purchase price. Eligible applicants will be offered an equity loan of up to a maximum of 20% of the purchase price (based on the open market value). Applicants are required to fund at least 80% of the purchase price by means of a conventional mortgage, savings and any deposit where required. For the first five years there is no fee charged on the equity loan component. At the start of year six a fee is collected of 1.75% of the market value of the property at the time the loan is entered into multiplied by the outstanding percentage under the equity loan, the annual fee of 1.75% will be multiplied by RPI+1% p.a. The equity loan is provided by the HCA and held as a joint second charge. Terms and conditions apply and full details will be provided on request. This offer is only available on selected developments and properties in England up to £600,000. It is not offered with any other promotion. Applicants will need to use a Mortgage Broker from the panel, who will act solely for the applicant.
